INNOVATION

...the future is looking up...

LICENCE CONVERSION COURSE

This course allows the holder of a RPL license issued in an ICAO contracting state to be issued with a Kenyan RPL license and applicable ratings on its completion.

PART 1: GROUND SCHOOL

- 2 days of classroom training on Air Law, Navigation, Flight Planning, Risk Assessment and Radio Telephony, followed by a composite paper examination. Theory training is conducted at our state-of-the-art Pride Centre located in Embakasi.
- Once all theory training has been covered, students will be required to complete and pass a composite paper based on the modules. The pass mark is 75%

PART 2: RECOMMENDATION FLIGHT:

- The practical part involves a recommendation flight session with an instructor, who will then assess you and recommend you for the license and or rating conversion as applicable.

REQUIREMENTS:

1. Applicants must be 18 years or older.
2. Existing ICAO RPAS License.
3. Applicants must possess a valid Kenyan Class 3 Medical Certificate.
4. Updated RPAS Logbook.
5. A Police Certificate of Good Conduct (Valid for 12 months upon date of issue)

COST: From Kes 58,000. Inc. VAT.

What's Included?

- All ground school lectures including material required for classroom learning.
- Flight recommendation session with Approved instructor.
- RPL application to the CAA and license collection.
- All relevant exams.
- Refreshments.

What's not included

- Class 3 Medical Certificate (About KES 10,000 -KES 11,000 and usually takes half a day to be completed.).
* A class 3 medical certificate can only be issued by a KCAA designated Aviation Medical Examiner. Contacts and location of the aviation medical examiners are available on the KCAA website via the link <https://www.kcaa.or.ke/personnel-licencing/aviation-medicine>.

PART 1: GROUND SCHOOL.

Duration: 2 days (Inc Exams)

- Air Law and Procedures
- Navigation, Flight Planning and Risk Assessment.
- Basic Radio Telephony

PART 2: FLIGHT TRAINING

Duration: 1 day

The trainee must have an updated filled logbook.

Minimum logged hours to be eligible for this course is detailed below.

RPL (MR)	5 hrs
RPL (FW)	5 hrs
BVLOS	5 hrs
IPL(PATTER)	3 hrs

For trainees with hours equivalent or more than the table above logged in, they will require to do a recommendation flight with an instructor before being recommended for the skill test.

For any trainee with less than the hours listed, the applicant will be required to cover the remaining hours before the recommendation flight at their cost.

HOW TO BOOK:

Step 1:

1. Confirm you've met all the requirements.

Step 2:

2. Fill in the UTO course enrolment form and email it back to us with the attachments specified.

training@fahariaviation.com

3. Once availability is confirmed, an invoice will be sent to you indicating the total course cost, which should be paid before commencement of the course.
